

Greetings, Local Dines Maine Users!

First off, we'd like to thank you for your patronage and loyalty. We couldn't thank you enough.

The owners of Local Dines Maine are moving out of state and will no longer be running the business from afar.

We will be turning off the sales portal starting on **September 20th, 2016**. This means you can purchase up until that date and you will have until **December 20th, 2016** to use or lose your certificates.

All sales will be final and no refunds will be issued during this timeframe.

ONCE AGAIN, THANK YOU ALL, WE WILL MISS YOU!
